Our Philosophy: The realm of Real Estate Development

Imtiaz Developments, established in 1993 and headquartered in Dubai - United Arab Emirates, is a prominent real estate development company. Known for its multidisciplinary capabilities, the company has made significant contributions to the nation's real estate landscape. Over the years, Imtiaz Developments has showcased its prowess in various sectors of real estate development, earning a reputation for its adaptability to market changes and its ability to seize emerging opportunities.

Our portfolio boasts an impressive track record, which includes the construction of more than 8,000 residential units, the development of four million square feet of office space, and the creation of over two million square feet of retail space. Imtiaz Developments is distinguished for its comprehensive range of services and expertise, spanning various areas within the real estate and development sectors.

Chairman Message

Over the last decades, the Asian and Middle Eastern economies have encountered various exhilarating and challenging phases with tremendous growth. We at Imtiaz Developments are proud to be a part of this magnifying business environment since 1993 and are determined to sustain our contribution towards the emerging markets and developing economies. Imtiaz Developments is strategically positioned to benefit from exciting global economic transitions.

The fundamental pillars of our rich history of accomplishments remains in our experienced, professional and highly motivated team who strive to harness their diverse synergies in their fields. We work hard to push the human boundaries with innovation and superior quality services. The preliminary goal of our dynamic workforce is to embark on a strategic mission to efficiently meet the requirements of our clients, to empower them to achieve their business and financial goals.

Our customer centric approach ensures that we build strong relationships with our partners and clients. We strive to understand their needs and deliver quality projects, on time and within the budget. We passionately believe that we offer a genuine point of difference from our competitors, whom have contributed enormously to our growth and success as an organization.

We continuously refine our strategies to remain the world's most valuable, most innovative and most admired company. Our ambition is to be an unstoppable organization that creates enormous value for our clients, our team, and our environment.

CEO's Message

Our vision at Imtiaz Developments lies in creating communities that not only reflect architectural brilliance, but also resonate with the dreams and aspirations of modern living. With unwavering commitment to innovation, sustainability, and quality, we're dedicated to shaping environments that inspire and elevate. Together with our team, we have embarked on a journey of turning possibilities into magnificent realities.

We are driven by the belief that every project we create is a canvas on which ideas are painted, aspirations take flight, and lives are enriched. Our commitment is not just to build structures, but to craft living spaces that reflect the core values of our community.

Our dedication to pushing boundaries, embracing new ideas, and incorporating sustainable practices is the foundation of our approach. We view each project as an opportunity to pioneer new standards of excellence, blending functionality with beauty, and ensuring that every development stands as a testament to our dedication to serve our customers.

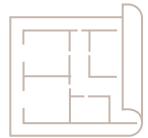

Thank you for being a part of our vision. We invite you to explore, engage, and embark on a transformative journey with us. Here's to a future where every horizon holds the promise of something extraordinary.

Masih Imtiaz
Chief Executive Officer

Imtiaz Developments stands out for its comprehensive range of services and expertise across crucial areas of real estate development:
