ABOUT SAMANA DEVELOPERS

We take pride in being one of the fastest-growing real estate companies in the UAE. SAMANA Developers form an integral part of the business conglomerate - SAMANA Group of Companies, headquartered in Dubai. Comprising over 10 companies with a strong global presence, the SAMANA Group of companies stands synonymous with quality, consistency, and professionalism. With SAMANA Developers, the company aims at making a substantial difference in the wide world of real estate.

At SAMANA Developers, we focus on living up to the expectations of our clients and providing them with an incredible experience. It stands to be our consistent effort to maximize the return of our investors and turn their dreams into reality.

We live by the motto – “On Time, Every Time”.

Working with ultimate zeal and passion, we had our breakthrough in the real estate world with our very first project ‘SAMANA Greens’ launched in September 2018 in the heart of Arjan, Dubai. The project had its main structure completed in merely 8 months.

Following the huge success of SAMANA Greens, we then launched another of our magnificent projects SAMANA Hills in March 2019.

SAMANA Hills recorded ground-breaking construction progress and was successfully handed over in June 2022.

The radical success gained by our diligent team has encouraged and paved way for many other holistic real estate projects. And we are sure of continuing our success spree with more phenomenal projects.

Our commitment and passion for delivering the projects with utmost transparency within set timelines have made us earn international recognition and various prestigious awards.

Even during the COVID-19 pandemic, we continued our work with the same amount of diligence. And in the future too, we strive to maintain this perseverance while designing projects that redefine luxury living.
